When we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now. I extend my most sincere condolences to you and your family.

Brett....If god had chosen to give me a brother....I could imagine him being alot like you. Someone who took no shit from noone or let anyone mess with his family or friends....nothing Fake about you. Guess thats why we got along so well...minus football season(lol). Thank you for taking Reagan in and loving her like your own over the years. I know many memories she will never forget. And from me thanks for the many great dinners. ...changing my oil and flat tires...letting me borrow your wife when I needed her and all the great laughs. My promise to you. ..I will always be here for your beautiful wife and kids. Jo is not just my friend...she's a sister I finally got to pick...and she's pretty damn great (which you knew that).
