Precious memories of Uncle Lloyd. I was fortunate to live close to Uncle Lloyd and Aunt Joy in my youth. My sister and I used to walk or ride our bikes to their house. He was always busy. Either at his job, working the garden and even repairing TV's in the days they had tubes. He let us help work in the garden, then shell the peas or snap the beans. I will cherish these memories and the wonderful days spent with Uncle Lloyd and Aunt Joy.
