30 years of memories - memories of a man who could take a massive amount of information on any topic, bounce it around in his head and toss it back where you knew he understood it and could provide insight to resolving the issue. He enjoyed his work tremendously (his photo tells you that) and he was tireless in working for his constituents. A lot of hard work and long hours but the reward was the family we formed in the staff we gathered. He treated everyone with affection and respect. He was firm but fair in most instances. The exception being when dealing with members of our family, then he was a huge marshmallow. A very best friend and an even better husband.

Many great memories of my Grandfather. Early and Mid 90's, Hunting Turkey and Deer in Paso Robles. Getting the Jeep stuck along an offroad trail that led to the place where all the Deer were hiding out. Taking a road trip from LA to Paso Robles with my friend Tony to deliver Grandpa his hunting Jeep.

I am deeply, deeply sadden by the passing of a boss who I had the honor of working for almost 20 years. He will be missed. My boys Joseph & Toby talk about the times that we all hung out together and had lots of fun & laughter. Joseph still makes the lemondade at a restaurant the way the boss used to make it and does you and the boss watched them grow into men. Max, I hope you also get to read this because I have been trying to contact you, I really would love to speak to you. Please call me at 626-712-1616 or 323-478-9002. You are in my prayers. Best wishes to the family. Sally Martinez.

i just wanted to give my condolences to the Martinez/Grant family. I am deeply saddened by the passing of my Grampa Marty. Even though I have not seen my grampa in a number of years I always felt that he was with me.
