Mom, my heart aches and my soul is filled with sadness you have left this world to reunite with Dad and all our loved ones in heaven. I will miss our daily talk, your encouragement words and your cheering every time I accomplished something but you will always be in my heart and the moments spent together will prevail for ever. I love you rest in peace and be an angel in heaven as you were for me all my life..

You were such a strong person Mami Ana. I'm so glad that Christopher and I were able to have you through most of our childhood. I'll never forget the moments we spent together. I can't wait to see you again. I'm going to make you so proud. I love you. Rest in peace

Rest in peace mami Ana. You'll live forever in the thoughts and memories of the people whose lives you've touched. The tears shed are of sadness. Sadness in having lost a beautiful soul. A soul pure and full of kindness. A soul rich with love and laughter. You have raised us, cared for us and taught us the meaning of family. Your legacy will live among us, within us and for generations. No longer bound by a weakened body you are free to roam the heavens. Free to take your rightful place amongst the angels. Free to reunite with the souls you've lost. We love you deeply; we miss you terribly, yet know the day will come when we will reunite once again. Thank you mami Ana, you were an angel on earth and now you are in heaven.
