Millie and Virginia always made me welcome in their home when I tagged along with Nancy. My mother told me that God picks the prettiest flowers first. We loved Millie because she was kind and generous, she had a quick wit and a wonderful sense of humor. We loved her and know her family is feeling the terrible loss of one so dear.

I met Millie at the Lions Club and after Doug and I joined the club there were 6 of us that became very close friends. We will remember so many things about Millie, but mostly we will remember our laughing - oh how we laughed. And dancing ... such sweet, FUN memories. We love you Millie and it's you I will think of every time I hear a Vern song. See you on the dance floor my dancing buddy! Doug and Darlene Jenkins

There was nothing more beautiful and joyful than looking out on the dance floor and watching Millie and Billy dance together and to see the smiles on their faces. Millie was one of a kind, authentic and caring and lovely. The world is a little dimmer without her. We miss her so much and thank her for giving us the opportunity to play our music. Thank you Millie. What a blessing you were and still are. We love you. Patsy & the Country Classics.
