Johnny Miller was one of the best men I knew, I felt like he was my brother, not just an in-law. I am so grateful God allowed me to give him some comfort during his struggle with cancer. I know it's going to take us all a long time to get over this great loss but we know he is with God now and feeling no more pain. Johnny, you are truly missed by all who loved you and everyone you met loved you!! I know you are up there with all your loved ones who went to Heaven before you. I look forward to the day we see you again. I love you.
