Joseph B. Coleman, Jr. II, was a very wonderful man, my Brother-in-law and Friend from a younger age that taught me many skills to daily living and food preparations. He was skilled in hunting, fishing and life skills. We would address each other as "Buddy" and surely "Junior" as we called him will be missed. He remained positive all the way. \*May the Lord bless the family and friends to cope with the times and the road ahead and give them much strength to endure. May the Lord smile upon them and give them peace and much love to share during this time in their lives. \*Coleman Family and Friends, Look to the hills from whence cometh your help, all of your help cometh from the Lord. GOD will take you all, all the way through. In Jesus' Name, Much Love and Blessings, Sis. Florence R. Givens 01/09/2012
