I know we are all feeling sad, That the Keys Family had lost the greatest Grandpa in the world; Grandpa had played a special part in all the lives he touched, We'll all treasure these memories and keep close to our hearts. But Grandpa would want you to know he's in a good place, And that he's watching you all with a smile on his face; As you have made him so proud, as proud as can be, That he has raised such a beautiful and special family! Although your Grandpa has gone but he will always be together, And his spirit will live on each one of you forever; When you look to the sky, look for the brightest star, As that will be Grandpa looking down on you from afar! Lord, thank you for blessing the Keys Family with Grandpa, He loved his family with his kindness and love, He had done an awesome job and had inspired on our lives. Please take special care of him as he is very dear to all of us. Grandpa, We know when God called you, you had to go. Your family and friends have cried an ocean of tears. We'll all miss you and love you, You will forever live in our heart! In Christ's love, Sze-Wing & Kenton Jones
