Donna Gore Alvey lit a candle in honor of Hazel.

I was so sorry to read of your Mother's passing. I always enjoyed talking with her when she came to Dr. Butler's office. She was the same sweet and kind person I remember from years ago. I remember her and her sister, Delores when they went to Bethel Church -- I thought they were both so beautiful -- and Mr. and Mrs. Sisk were fine people. My family and I still live in the house that Mr. Sisk built for my Mom and Dad in 1963.

Thank you for your kind words, Donna. Dr. Butler's office has always been a place filled with loving and caring people for me and my mother over the years. I'm so happy that you had a connection with my mother and Delores, two amazing women in my life. I'm also delighted to know that you're living in a house built by my grandfather. I now live in the house that he built for his family and love being here. Take care! Tony Singleton
