FEB 7, 1941 - FEB 9, 2016

Carlond Noel Zimmerman, 75, went to be with the Lord Tuesday, February 9, 2016.

She was the daughter of Ronald Huffman and Emily Elvira Huffman.

A beloved wife and loving mother and grandmother, born in the mountains of West Virginia February 7, 1941. She moved to rural Spotsylvania in 1971 where she led a very simple but satisfying life.

Besides Carlond's main love, her husband and her children, she also loved playing bingo at the American Legion Post 320 on Brock Road in Spotsylvania County. She went every Thursday for two years with her children. She loved raising African grey birds, which she had for 15 years. In her spare time she loved spending time doing word searches, Sudoko, and traveling. After 25 years, she retired from K-Mart and would spend time traveling the eastern coastline in a RV from Maine to the Florida Keys with her family. Her favorite place to visit was Pigeon Forge, Tennessee and the Great Smokey Mountains, which was the family's favorite vacation spot for the past 15 years.

Carlond is survived by her husband of 46 years, William A. Zimmerman; four children, Bobby Goss, Jr., Bethel Holcomb, Belinda Blue and Tammy Savia; ten grandchildren; and 17 great-grandchildren.

Oh grandma where do I start? It still hasn't sunk in that your gone, I never thought that you would pass on. All the memories that I have of you will never fade away. I remember when you bought me this hair clip and I swore I knew how to wear it after you asking me 3 times if I did, I threw it in to of my head and wore it so proudly. We walked into rite aid and I bent over and got the clip stuck on a nail display rack and I started yelling for you and you and Tonya walked passed me laughing and LEFT ME THERE! Luckily I was ok. Or how about the times you would make pancakes for me but I would only eat the silver dollar sized ones because I swore they tasted different than the big ones. Playing rummy for hours, to telling me the best way to raise my kids. You are just an amazing woman. You were truly the glue that held this family together. I wish I could have said good bye but part of me is glad I didn't see you on your last days because I have some great memories and that's how I want to keep it. You have always be so strong and I pray I can be half the woman you were. Thank you for teaching all if us how to live life to the fullest. How to always love even when we didn't want to. How to always pull together threw the hardest times in life. Im happy your home with your sisters and mother. And the greatest thing is that your out of pain. And we have you to watch over all of us. Rest In Paradise Grandma. Gone but NEVER forgotten.

My birthday will never be the same without peanut butter fudge. But every time I cook fried potatoes and Jeremy says they're better than his I'll smile and think of you. Every time JJ tells a joke and makes us laugh, I'll think of you. Every time I get dressed, I'll think of you because we had the same style. The last months we spent in each other's company will be cherished memories, laughing and smiling. That's how I'll remember you. You taught me so much about life and patience and it's helped me grow as I get older. The knowledge and wisdom you shared with me well never be forgotten. A piece of my heart went with you. I find comfort knowing you're in heaven now with your mom and sisters and our great Lord. And I find comfort knowing you aren't in pain any longer. I love you. I miss you. I'll see you again one day at those pearly gates.

I learned patience, thinking of others, importance of family, "making do" and how to fold a fitted sheet:) from you and your sisters. I was envious of the love between you and your sisters. Made me long for a sister. I will miss your visits and your smile. I love you!

To my amazing grandma. You were an amazing woman mother grandmother and friend to so many people. You have touched so many lives in your 75 wonderful yrs on this earth. I absolutely loved coming to visit with you my one hour visits always turned into 3 or 4 and me rushing out the door to get back to work on time and I would trade those visits for the world. Over the past few weeks my visits were consumed with helping grandpa and mom tend to your house work wile you talked with us or informed us of where things where or where they went and of course grandpa had to tell us the right way to do everything :) the last visit I had at home with you was two weeks ago and there was no cleaning involved just curled up in bed with you both laughing about all kinds of stuff and just enjoying eachothers company. And it ended with me falling asleep with u in your bed! That was an amazing day and I will treasure it always. Then we had our visits in the hospital wich were so very hard to see you like that. It broke my heart to know you weren't you and u couldn't talk to me. I know now that although you are missed so terribly that you are in a much better place and you are no longer in pain. You may be gone from my sight but you will always be in my heart and soul forever. Everytime I play a game of rummy I will think of you :) everytime I goto your house to see grandpa I will think of you. You are gone but never forgotten. I promise to help take care of grandpa now that he's all alone. And I will take care of my mama for you as well. Thank you for raising such an amazing daughter because she is an amazing mother just like you and my very best friend. I know she misses you something fierce and her heart will never be the same but I'll be here for her that's my promise to you. Rest easy grandma and save me a spot up there in heaven with you. I love you more than you will ever know! Xoxo
