I am so sorry for the loss of my son-in-law's grandmother. Edna was a really special lady who I feel so blessed to have known. Edna touched my life and made me feel so special by her kind gentle manner. What a loving cheerful Christian woman! I remember her teaching me how to make applesauce in her warm kitchen; and then giving me a couple jars to take home with me! My prayers are with Edna for the repose of her soul and may Christ's peace dwell in the hearts of those she left behind. She will be missed.

Edna has been very special in the life of my family and I. She was our bank teller when we first moved here and she was our favorite. Blessings sent from our family to Nell and family especially for your loss. God has yet another angel and she will always be remembered here as a wonderful work of God. Lucille Persinger and Family

Rodney and Sandra, We wish to express our sincere condolences to all your families. We knew Edna and Daniel through Massaponax Baptist Church. Daniel worked with George at FMC. Also, we rented a place from your grandparents (the Blacks) in the late 1940's and early 1950's. We have many memories and stories of your parents and grandparents.

Sandra and Rodney, We are so very sorry to hear of your loss and would like to express our deepest sympathy to you all. Edna was a wonderful person and it was always a pleasure to see her whenever and wherever that might be. Conway and I visited Edna at her home and it was so enjoyable. I remember a cast iron rooster she had in her kitchen.....it seemed we both liked roosters. I think she told me that Wallace gave it to her. Edna was a warm and caring person. We were in the same classes with Sandra and Rodney at Massaponax Baptist Church. Also, my brother and I rode the same school bus with both of you. Conway and Karen (Raines) Carter
