Dear "Granny," Thank you for accepting me warmly into your family. Thank you for bringing Bob ("Robert L") into this world and for sharing stories about him that helped me understand and appreciate him better through the years. Thank you for being a loving grandmother to our son. I remember your first visit to meet Max and how happy we were to see you and watch as you and Pop Pop held him for the first time; we wished you would have stayed longer, but Bob explained that you believed that company and fish began to smell after a few days.... The words I use to describe you are kind, funny and generous. One of the funniest stories Bob told me about you was that when he was little and the Good Humor Man came around ringing his bell, you would tell that him that the bell ringing meant that he was all out of ice cream! I enjoyed playing games after dinner around the dining room table and sitting in the kitchen talking about everything under the sun, including the latest gossip from People Magazine and our favorite television shows. I will miss you and smile when I think of you. We will keep you memory close and look for you in the sky...With love always, Melanie

Uncle Al, Sharyn, Bob, and Diane, I have many memories of her -- one funny one that comes to mind is one summer when I was down Ocean City one summer. I was with my cousin, Bonnie. I think I was maybe 14 at the time. Both Bonnie and I were working at a place called Taylor Pork Roll. Aunt Helen found out about it and I remember her when she came storming in and saying "Lynn - out!" Boy, you never seen anyone hot tail it out of there so fast. She was very good to not only my husband and myself but to both of my children, Matthew and Lauren. She will be missed --- I am sorry you had to lose someone so important and special in your life. Please accept my condolences. Love, Lynn

My mother was always there for me, she dressed my wounds when I was little, and and was always there when I problems as an adult. I probably didn't call or visit enough, but she was always with me in spirit, just how she will be until I see her again. I love you mom.

Bob,I know this is late. I am just hearing of your moms passing. Your mom was a great lady always kind to me when I worked at Fenwick Pharmacy. I have thought about all of you over the years. Tried looking everyone up over the years, last I heard was everyone was in Florida. Hard to believe it was 30 yrs ago when I worked for them.Thoughts and prayers to you all !Barbara Allison Lankford

So sorry to hear of your Moms passing. She was always such a nice person. It is hard to believe that we are all grown up and our Moms have moved on to heaven. Seems like just yesterday we were kids growing up on Glenhill Road. Peace be with you and your family Bobby.

She was my world--a wonderful mother and friend. Every where I look I see something that brings a flood of memories of the great times we had together. She has been so much a part of my life, I don't know how to continue with this void. I called her --"just checking in" every evening and now the phone lines don't reach to heaven.
