I'm so sorry for your loss. Steve was a great friend to me during my time at Loves in South Hill. I would always look forward to his fuel deliveries, he always kept us laughing and had a story to tell. He was always a great support if I was having a rough day and never let me take any crap off any of the customers. He even took my youngest out one day showed him the truck, he was just tickled. He became such a friend and I missed him greatly when he 1st left sick. I got to talk to him a couple times he'd call the store to give me grief, those were my favorite nights. I'm so deeply sorry. Please advice of memorial time and location.

Steve always made me smile when he came in to the Loves in South Hill. You just could not be in a bad mood with him around. When my sister passed away 2 years ago, he was supportive. I'm so sorry you have lost such a wonderful person. Prayers for you, Debbie, during this time and in the following months. ~Allecia Parker~
