I was so sorry to hear of the untimely passing of Larry. I had just seen him the Friday before. I taught Larry in the 5th grade and again in the 8th grade. Such a horrible loss of a young man so young. My thoughts and prayers go to his family!

We are incredibly sorry for your loss. My husband and I had the pleasure of working with Larry. Although it was just for a short time, he never failed to put a smile on our faces and he made work a lot more interesting. We instantly became friends and we will never forget his gentle soul. We pray the Lord will give you all comfort and strength during this difficult time. Larry....we may feel your life was cut short here on Earth, but we take comfort in knowing that you have just begun to 'live'. The Lord gave you your Angel wings...spread them open and fly high sweet soul. We will always keep you in our hearts. Richard and Kelly Crislip
