Craig, although no words can really help to ease the loss you bear, just know that you and your family are very close in every thought and prayer.

I can truly say that there was never an interaction with Uncle Ted that he did not make me laugh. I believe it was his great sense of humor that kept him going through the difficult times. He had a wonderful way of making those around him feel calm, relaxed, and loved. His stories, jokes, and overall expressions about life will always remain in my heart. To Aunt Darlene and all the kids, you are in my thoughts and prayers. "For this God is our God for ever and ever; he will be our guide even to the end." Psalm 48:14 Love, Tina

They say that laughter keeps you young, so for that Ted, I Thank you! I will always remember and miss your stories that would keep me laughing for hours, and how you were horrible with remembering names but the best at creating a crazy nickname that will be known and used by others (Stacy Tracy Big Leg Girl)! I will miss walking into the kitchen and hearing you say "good evening" even if it was the afternoon, and miss the old days of offering up some of that "gas" from the cabinet! From the hard exterior to the teddy bear heart you will be truly missed!

Dear Grandad, I know that you will look down at me from heaven above, just like you looked down at me the day you first held and met me (with a big smile and a crooked hat). I will never forget you or the hello/goodbye HP pats to the top of my head! I am going to miss you very much!

Ted was a great father and friend. His stories will be remembered and repeated with laughter. He was a great grandad to our little boy Jayden. He always stood behind my dreams and told me to do what made me happy. So he will be missed but never forgotten. So tell Grandma Alice we said hi and know we love and miss you Pops.
