We are so sorry for your loss. Our memories of George always involves laughter. Scott can remember when George rode the Honda Dream and later driving the Dodge convertible. Scott spent a lot of time as a kid with Ronnie and his family. Elsie used to haul us to drum corp and taking us to parades. All good memories. When Scott and I would visit George and Elsie it was always a visit of laughter and good times. Our prayers and thoughts are with the family at this time.

My family and I are so thankful for the friendship George shared with my father, Ed Mills. He and Elsie were always there for my Dad and my Mother throughout the years, even after my Dad retired. My husband, Dan, always looked forward to seeing George when we came from GA to visit family. My children thought of George as family. We have many wonderful memories of George and the many times we saw how he was such a good friend to my Dad. Thank you for sharing him with us. We all loved him as if he were family. I lived in Greenfield Village and George and Roger were my best friends. Growing up, we played basketball, football and baseball in the field near his house. Wonderful times and great days of summer. To Elsie and all, I am so sorry for your loss. God bless you and the children and their children. Miss all of you from those days in the 1960s. Dave DiPardo
