I was so sorry to hear about Marks passing. I worked with him at Carry On. He taught me so much about the machine I ran, and even more about my forklift. I have been sick a lot for almost a year and Mark has been like an old mother hen to me. He was always in a good mood and such a carrying individual. He will be greatly missed.

Mark worked with my son and also got to know me..I was called .."Justin's Mom". Mark had very high regards and respect for his family ..he loved his whole family. .Mark was such a good person that he took time to check on me when I was ill and also visited me last year in the hospital..Mark was like family and always welcome to stop by, we had talks about life, lots of talks. Mark was a special type of guy that wanted to do good and keep on working..he loved keeping busy and working..he loved working for his brother. Going to miss that smiling face and his visits. I believe I am still in shock like many. My deepest condolences to the family. Mark will be missed by many, but we will always remember his smile and who he is as a person. God bless, and I am sure he is smiling down upon us.Take care,Mary Mason
