I didn't know Misty but went to elementary and high school with her brother, Michael. He and I were very close and he talked about his little sister all the time. I am so sorry for your loss. May God's word help you through this difficult time. Michael, it's been a long time but Rick and I think of you often. Our prayers go out to you and your family. Rick and Susan (Curtis) Jacobs

Debbie Roop lit a candle in honor of Misty.

It has been many years since I have seen Misty. We lived a house a part from her and her family. She is the same age of my older son Stan Jr. They used to play together as children. She also played with my other 2 children Chris and Shelley. Good fun memories of them playing together. So sorry for your loss Anna.

I remember listening to Misty play music at so many of our get together, cookouts and birthday parties. I use to say how "Angelic" her voice was. She was such a pure and classy lady who always had a kind word, warm heart and genuine love of her family and friends. I feel so blessed to not only have known her, but was lucky and honored to have been one of her many friends. R.I.P my dear friend Misty. You will be missed so very much. Luv ya Chickie. Timmy and the rest of your family... Y'all will be in my thoughts and prayers. I am so sorry for your loss. I cannot fathom the pain, emptiness and grief you must be feeling. Go rest high upon that mountain, Lady your work on earth is done. Love, respect and friendship always. Tooter
