Prayers go out to Brenda, Tiffany, and Tammy. So sorry for your loss. He was a good man. So sorry we missed not being there for you guys but dad's brother in Maine wasn't doing good.

Larry was a great friend and will be truly missed. Larry, the expert mechanical engineer and diesel engine genius, got me through an almost impossible job of rebuilding my 1927 Nash, which was missing many engine parts. Larry took the time to come over, crawl under the old Nash, and diagnose all the problems and could always come up with a cure for the various ailments. Where there was no cure, Larry could always offer an alternative which "might" work, and usually it worked fine. His expert advice and friendship will be greatly missed. Dwight Christensen
