TO BRENDA, LARRY, FAYE, DOLLY AND FAMILY--I am so sorry to hear of Junior's death. Junior, and all of you--as well as your Mom and Dad--played such an important role in my life as a kid. The times I spent with you, working in the hayfields and sharing those fabulous family meals in the kitchen for several summers, were wonderful times that I still remember so fondly. Your family not only sold us our family farm, you guys made us --Karen and me--part of your family. The times I spent in the fields working beside Junior and Larry, and with Brenda--these were times that helped shape me and are some of my sweetest memories. So it was a real shock, and a very painful one, to hear of Junior's death. I wish I could say this in person to Junior, but since I can't, I want to thank you all, once more, for all of the friendship and love, and the wonderful summers you gave to me and Karen as we were growing up. I am sorry that I will not be able to be there in person, but please know that my thoughts and prayers are with you. Thank you, and God Bless.
