Kay and McKayla, Mom and I pray that God will comfort you and ease the loss you bear. It will be the little things that you will remember... the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again. Lean on God... he is with you. Within our hearts and in our memories those we love remain with us... always. Much love, Glynis Blankenship and Lori Davis

Chris I met you back in the 90s - we both commuted to work - you from Fauquier, me from Culpeper. I remember the time - you had that little ole Toyota pickup truck and I was broke down and you helped me. We car pooled together many times throughout the years. You drove me to Fairfax hospital when I had an asthma attack at work. Your love and devotion to your family was unmatched. Anyone that knew you, knew that Makayla was the apple of your eye. I always looked forward to hearing updates and you were always eager to show me pictures of Makayla's adventures and accomplishments. Your Navy Federal family will miss you greatly. My thoughts and prayers are with the Colgan family. 🙏

I am so sorry to hear of Chris' passing. I have worked with Chris for nearly 20 years at Navy Federal, and considered him a good friend. We always had our common bonds of deer hunting and fishing, so there was never a lag in our conversations, and we always a story to tell. He will be greatly missed. Jeff Morgan

I worked for Chris for about 6 years. During that time, I got to know him as not an ordinary boss, but someone who was vested in me as an employee and a friend. Even though I have not worked for him for the better part of 10 years or so, we still kept in touch to talk about our families, how we were doing, and what each of our plans were for the upcoming future as empty nesters. His love for his family was evident and he was so proud of all that McKayla was accomplishing in school. His sense of humor and friendship will be greatly missed. We send our deepest condolences to the Colgan family. Michelle & Wade Sortzi
