DEC 22, 1991 - MAY 27, 2017

**S**ebastian "Gage" Limerick, 25, of Spotsylvania County passed away Saturday, May 27, 2017 at Mary Washington Hospital after a brief battle with Cancer.

He was survived by his mother and step-father, Roy and Tammy Lawhorn; three very best friends, Xavier, Josh and Ramona; one loving cat, Butterscotch; and four loyal dogs, Mister, Roadie, Lola and Daisy. He had many aunts, uncles and cousins that loved him very much. Gage was preceded in death by his father, Paul G. Limerick Jr.

Gage was an avid video gamer and also enjoyed Trading Card games. He loved his family and friends and always had a big smile for everyone. He loved all animals and especially his own. Gage also loved food and would try anything just to see what it tasted like. He was employed by Weis and enjoyed his job.

There will be a Celebration of Life get-together which will be announced at a later time on facebook.

Condolences to his family may be shared online at [foundandsons.com](http://foundandsons.com).

A little over two years and mom still misses you like crazy. I cry often and I know I shouldn't, I do believe that you are safe in God's arms and healthy again. I know I will see you again one day but it's so hard to be here without you, my heart hurts so much. Everything reminds me of you, I miss your laugh so much. I sit here in the living room on the computer and I keep looking behind me for you sneaking up on me like you used to do so often. I feel your presence and know that you are close by but I wish I could reach out and touch you and run my fingers through your thick hair like I used to. Tell you again that I was thankful you got your dad's thick hair and not mine which is so thin. I hope you and your dad are spending lots of time together. I love you my baby, my son and my main man, you are forever in my heart and on my mind.

We were just at Pokémon Saturday in May. You were there, smiling, so kind of everyone. You let the little kids win. Even when that little snotty punk bragged about winning --you, with your calmness and your smile. I'm so sad to see you're gone but I'm celebrating deep down. My faith in Jesus is that He met you, He spoke to you, and He welcomed you. He gave you a new beginning with all the bells and whistles. He loves you and you are with Him forever in peace and joy. I'm sad and my feelings feel shocked, but my heart and my soul tells me you are well, you are loved, and you are safe and sound.

We were honored to know precious Gage. He was a perfect neighbor. He always waved hello each time we met when he went for his walks. He always had a big, happy smile for everyone. He will be missed greatly but he has his wings now and is in a happier place. Fly high and free into the heavens now little angel. With love, Mike and Vickie Alsop

My deepest condolences go to "Little" Roy and sweet Tammy. Despite not getting to know Gage, I'm sure he was a delight as a friend. May God wrap all of the family in his love and Comfort. Love to all.

Had the pleasure of meeting such an outstanding young man he was taken away too soon but they seen that he was suffering so God gave him his wings and took him into his arms and said my son no more suffering no more pain. Late at night when you go outside and you see the stars shining bright you will see that one bright bright star and that is Gage shining down and letting you know Mama I'm alright. From Marion King
