Found memories of time at Holly Hill Stables (1970's) with Bernard. As he pulled in the drive with his white SST Sport, nice rumbling 450 8 cylinder engine, and just lov'n life. Some of his fun sayings just seemed to roll off his tongue with that neat smile. So carefree from what I recall and yet a nice warm concern for others. Neat, good man that made a contribution to humanity. God speed ! Best to his family. Tom Payette, Rapidan VA
