I just read about the loss of your loved one and I wanted to send my condolences. During this sad time please remember and cherish the precious times you had together. As you find comfort with your family and friends please take comfort in the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever". Please accept my condolences as you endure the days ahead.

Corey, You were one of my 1st friends when I moved to Culpeper. We've shared a lot of good memories growing up together over the years. Thank you for being a great friend and always doing the right thing. You've always given me the encouragement to do great things. I know some of your dreams were cut short, but I want to help fulfill those in your honor. Love you and miss you forever buddy. To his family: It still saddens me to hear about the loss of this great guy. You raised a beautiful soul. I will not be able to make it to pay my respects today, but I just want God to comfort you and bring you peace in the days to come. Much love.
