Jonathan, I dream about you almost everynight. 6 months and it still feels like yesterday. My heart aches I miss you so much. I wish life could go back but I know in doing that it would bring all your pain back to you. The only thing I can take comfort in is knowing your body is not hurting anymore. Nobody knows the talk's and the struggles we had with trying to keep you out of pain. You are my soul mate and half of me went with you. I love you. Please keep watching over us. I Roxy misses u she stares at your pictures and then comes to me. We love u.

Jonathan was a great guy, always so friendly. I remember when he first got Roxy and brought her into the shop to meet us. Many talks about his kids, bikes and random laughs in between. Jonathan you will be missed. Thank you for your friendship sweetheart.
