David and Jean have been friends of our family for over 80 years. We are related on the Cropp side. I remember David mostly from hunting on our farm. He loved to hunt squirrel. He would always bring a couple back to us. He'd skin them while we watched. Something not too many kids can do today. David and Jean's kids love to come My Daddy's. Farm in Rixeyville. When David was off from work and we had hay down, he would jump right in and help, as well as his brother in law Doug Martin. David was a very good friend. He always had very kind words to say and we loved to hear all of his stories. He always had a smile on his face when I would see him and interested in what was happening in my life David will be missed by many. My prayers go up for Jean and all his family. Just focus on all your wonderful memories. It's not easy but you'll get through until we all meet in Heaven. Keep faith in our Lord, Jesus Christ. He's got your hand. My deepest sympathy to you all With love, Margaret Ann Sheads Rhodes
