Barbara and Bill: Betty and yours truly are saddened upon hearing from Pastor Dennis of your mom's passing. Although we did not know her personally, we heard things about her life from you many times when you and Bill attended Jefferson Baptist Church. The Lord granted Rebecca 95 years to be on earth and while it is always difficult to lose a parent, please know that her memory will always be with you in the coming years. Betty and George Moltz

Grand Mommy, we loved visiting you and talking about the Redskins and the Nats. All of the great grandkids were amazed that you knew so much about them and said that it showed how much you loved them. We will miss you so much and comforted knowing that you will be welcomed into the arms of God. We Love you and will miss you. The Purvis Family

I have a lifetime of memories with my Mom but as her later years came, I so enjoyed our time together when she was still able to walk and we frequented alot of grocery stores on her day out to shop with her coupons, at times we would visit at least three in a day and then we would go for a nice lunch or go for coffee and have some really special conversations, I miss that so much. Later on after my Dad passed, it was the visits in the Dogwood, going to listen to some good entertainment especially she liked her Elvis Impersonator and the gospel music on Sundays and our wonderful group from JBC, Walter, Pam, and Jean singing for the crowd. We enjoyed many special occasions like Birthdays, Thanksgiving, Easter, and Christmas there. She loved receiving her special boxes from us loaded up with her "Beautiful Perfume, Olay regenerist cream and her cover girl compacts #715. I treasure sending them to her and when I got a new bottle of the Perfume just yesterday, I sprayed my whole house as if it was a house scent just so I could still take in her beautiful scent. Call me nuts but that's o.k. I miss you so much already Mom and will love you forever and until we meet again in Heaven, give Daddy & Tam a hug and kiss from me. Forever and always, love, Barbara

Remembering my Aunt Becky as someone who always gave me the biggest smile and warm hugs whenever we saw each other. She was very close to my mom and dad, and now they'll get to be together again. Barbara, you were always my favorite girl cousin, and my heart aches for the loss of your mom, but I know you have the comfort in knowing she's with your dad and Tammy again. Please know that i love you all very much.Love, Linda Flowers

We were so sorry to get the news of your Moms passing Charlie. No matter how old a Mom is when she passes it is still a very difficult time. Not only for you and Judy but for the Grandchildren and Great Grandchildren. We are with you in spirit and prayer and will be here to give you special hugs when you return to NC. So sorry to hear about Aunt Becky, our thoughts, prayers and sympathy are with y'all. We will never forget the great times and visit we had when we stayed in Aunt Becky and Uncle Lester's yard in our travel trailer and got to see all of you. Sorry we will miss the service, but I know your Mom will be in heaven with your Dad and our Mom. Love, Carlton & Ginger
