Helen and I shared so many beautiful memories including card playing, going for lunch with Tommy and my husband Larry at the Florida Mall and shopping. She was and always will be my mentor. Her presence brought so much joy to my life when we lived in Florida. What a wonderful teacher she must have been for all her students. She had a lust for life and shared it with her friends. We both lost our homes to a hurricane in 2004 but still remained in touch with each other after I moved to Texas. I was always so happy to pick up my phone and hear her say, "Sgarlato here!" She loved her family so very much. I am so sorry for your loss. Please call me any time and let me know how Tom is doing. Sincerely, Marlene Defreitas 512 963-3270

Rick, Marilyn and family~ What an amazing lady. She lived life with gusto [The Free Lance-Star coverage several years ago with her VW confirmed what you had said about your mother through the years, Rick.] and set such a beautiful example of how age can be productive and happy. I know you will miss her but focus on the happy reunion with her beloved husband for all eternity. My love and condolences to you all for such an amazing mother, grandmother and great-grandmother you cherished on Earth for so many years. God bless and keep you close together.
