Our hearts and prayers go out to the Dove family. Our daughters Sarah and Lindsay went to school with Amber beginning in the fifth grade and on till graduation. As a school volunteer I enjoyed getting to be around Amber. She was always very outgoing and friendly each time I saw her, a quality that is very nice and also rare to see in a young person. My husband had the pleasure of seeing her one day when she was with her Dad at Arby's. She came right up to him and said "I know you, you're Sarah and Lindsay's Dad, I'm Amber!" He was very happy to see her and glad that she felt comfortable enough to speak to him. He never forgot that as we will never forget Amber. We send to you all our deep sympathy and share your sadness. Andy and Julie Peyton

I had just met Amber a few days before during a photo shoot. She was so open and kind and I am honored to have captured the beauty that she will always be remembered for. I could tell right away what an angel she was and now will be. I will miss her and wish I had known her longer. My condolences to her family and friends. God Speed and Rest In Peace you lovely Dove.
