Offering my deepest condolence for the untimely transition of your dear son, brother & father Eric Lewis. Isaiah 57:1-2 tells us: "Good people pass away; the godly often die before their time. But no one seems to care or wonder why. No one seems to understand that God is protecting them from the evil to come. For those who follow godly paths will rest in peace when they die." Sending love, encouragement, thoughts and prayers as you celebrate his life and cherish memories of laughter, happier times and all the things you shared, think on these things and it will keep him close in your hearts, knowing "life is eternal, love is immortal, and death is only a horizon" for to be absent from the body is to be present with the Lord.
