Mr Rehanek and family: This is Rogelio Ruiz Fernández, From Spain, I spent one summer with you in West Virginia (about 1981), and I should write before to thank you for all your kindness with me. I have so many memories from that month. I should write before to thank you, and thanks to Mary Ann. You took me to Washington in your car pool, and I saw the National Gallery, the Dulles Airport, the Museums... probably you reinforced in me the desire of being architect, that is my work now ... You took me also to Disney World, to Tampa Bay... still remember the big pelicans there, everything as if I were part of your family. I remember when you took me to the golf club and I crashed the little car...!, I remember also when you took me to the High School and the cheer leaders..., the chess games with Mr Rehanek at home... and the lovely attitude of Mary Ann in everything... My sickness in the travel to Florida, because I ate so much coleslaw that I never had before and I found so tasteful... Thank you so much for your warm attitude to this "spaniard". I could see your family has increased a lot!!! So she left many people loving her... Yours sincerely Roger PS: I will be so happy to receive you at home whenever you want. <https://divisare.com/projects/156148-rogelio-ruiz-fernandez-marcos-morilla-vivienda-unifamiliar-en-luanco> this is my contact; C/Carreño Miranda 2 MIERES 33600, Asturias, SPAIN TFN: 0034 985 461552 rogeruiz@arquired.es

Aunt Mary Ann was one of the most beautiful people inside and out. We moved from California to Va when I was quite young. We had many relatives in California and knew few relatives on the east coast. Our families spent many holidays together. Very fond memories of my Aunt and the whole family. Love and light to the whole family.

Mrs MaryAnn, I am going to miss you so much! I will never forget the times I spend with you and Mr. Bill over to your home often, spending time with you and playing with Mr. Whitmore. Watching TV and playing pool. You were like a Mom to me, like how you use to watch me cross the street to come see you and I enjoyed your kindness, sweetness and caring for me. I had a lot of fun with you. I will always remember you and I'm going to really miss you. Love you so much!! Precious!

My Aunt Mary Ann was one of the most gracious and loving people I've evermet. From the times we were children and visiting my grandparents farm and meeting them there at the store my grandmother worked . To the times we spend back and forth when we all were in Virginia. She always invited my family when I married had my own family and was always so kind to us.This is a lady that will be missed,remembered, and loved by myself and my family always.

I have fond memories of my Aunt Mary Ann. I remember all the family get together's at Uncle Bill's and Aunt Mary Ann's home when my brothers and sister first arrived to Virginia from California. We left all our friends behind and you always made us all feel so welcome. I remember when I got a bit older that Uncle Bill and Aunt Mary Ann always made sure to invite me along, for the adult get together's. One of my favorite memories was when Cindy and I adopted Josh, about 30 years ago. The first big event we went to was your son's wedding. Josh was a bit fussy, so I took him outside, to not disturb the Mass. When I came back in, Aunt Mary Ann let me know that Josh wasn't disturbing a thing. That has stuck with me for the past 30 years and it is one of my best memories of her caring nature. Peace to all, James and Cindy Rehanek, Jr.

Years ago, Mary Ann invited my son Joshua and I over to their home for Thanksgiving when Joshua and Mary Ann's daughter Sharon were just dating. We had just moved from our home state of IL to KY, away from family, and I have always appreciated her invitation to us both. She was very kind and considerate. I also fondly recall her and my late dad kidding around with one another; both had a great sense of humor. I know she will be greatly missed by many people. According to her family, and from what I observed, she was a great mom, wife, and friend. I am comforted to know she now stands before Jesus, whole, complete and happy, laughing again as she so often did.
