I worked with Dee Dee for many years in our surgical practice. She was extraordinarily good at her job, and was admired and loved by both staff and patients. She was kind, and caring, and good natured, and I had a tremendous amount of respect and appreciation for her. Dee Dee was simply a wonderful person, and we remained friends long after we both left the practice. She will be greatly missed. Danny, please accept my condolences. Unfortunately, I will be in Texas on Friday, but my thoughts and prayers are with you and your family. I will be making a donation on her behalf to the UVA cancer center.

Lots of Memories, as her one and only Brother, I was the one who named her Dee Dee. at the age of five, and I was a Stutterer and couldn't pronounce Gwen, sister, so I called her D D. and the name stuck. I picked on her and the other two sisters all the time. And they always told on me. Memories will always allow her to live on. Love You little sister. God Be With Her.
