You were my husband, friend, and my everything. I am so proud of the life we built together in 23 years. You were an amazing man who would help and never ask for anything in return. The life we spent together was a simple one but one that allowed us to enjoy each other. You brought me so much happiness and showed me so much love and provided me with many happy memories that I will always cherish. Your spirit will be with me every minute of every day until I cross over and join you. I miss you so much and love you with all my heart. Your wife, Pat

Bill was my Step Dad. I have lots of fond memories of him and us as a family. He was a good ole soul, very simple and didn't ask for anything. He had a dry sense of humor that I loved. As the days were nearing to his passing, I tried to "prepare" myself and its true when they say "you can never be emotionally and mentally prepared for the passing of someone who you admire and love. I will take the days ahead now knowing what a great man I had in my life for the past 23 years, When its my time and Bill and I cross paths again the first thing I'm telling him is " I told you... you were never getting rid of me". I will miss him so much, I am thankful for the years me and my boys had with him. One thing I can say is that he never judged me. He always loved me even when I wasn't the perfect child/adult. Bill came into our lives and it was easy to like him and to love him. Most of all, he made my mom happy. I Love you Bill Wylie!Your grandsons (Kyle and Sawyer) loved you, adored you and miss you so much. Little Peanut and Walnut!Reast easy. We love and Miss you so muchYour Daughter and grandkidsTracey, Kyle and Sawyer.

You were the best second daddy and I am so blessed and thankful you were in my life. I have so many wonderful memories that bring a smile to my face or make me chuckle. Thank you for being accwpting and loving me, and my sons, for being kind, humble, and amazing. I miss you so so much. My life won't be the same without you.
