Larry and Family: I am Pauline Cannon's sister Ella Jane Reed. We both were friends of Pauline's and also worked with her at NRI for many years. We visited her a lot at her beautiful home. She was a wonderful friend and we loved her very much. I lost touch with her after she moved to Culpepper. My sister Pauline died September 2003. I miss her very much. I lived in Luray Va. for 21 years and now have moved with my son in Murrells Inlet SC. I might mention my sister Pauline lived with me 30 years. Larry it looks like your family has really grown. I know you are enjoying your grandchildren. Here is my address Ella Jane Reed, 1841 Groveway Ct. Murrells Inlet, SC 29576. I would love hearing from you. I was looking up another friend named Pauline and your Mother's name came up, I do believe God directed me to Pauline's obit. I have so many happy memories of Pauline. My prayers and thoughts are with you and your family.

I'm so sorry to hear of Ms Pauline's passing! She was an absolutely precious lady! My mother went to live at the Baptist Home/The Culpeper 3 years ago. She'd been in a coma and wasn't expected to live. When she first got to the Baptist Home she was very confused, scared, and often felt lost. Your Mom made it a point to be her friend, to comfort her and assure her that she would be ok. Mom did settle in quickly and they shared a real friendship for the last 3 years. She would often talk about her son in Alaska, and the phone calls she looked so forward to! She loved you a lot! My mom passed away a few weeks ago; I believe she met Ms Pauline with a big hug! They are singing and smiling together now. But, a big hole remains for us. She and I shared a birthday, 40 years apart :) I always brought her a cake and gift on her birthday. I'd planned to do that again. I will truly miss her. I'm praying for you all.

Aunt Mimi spoiled me and my sister. She loved us and did not hold back in letting us know - I have so many fond memories of Mimi and will always treasure them (So many of them center around her amazing baked goods!!!). I am blessed to have known such a generous and kind soul and I hope to honor her by sharing the lessons I learned from her of what it means to be a good person.

I told Paul the other night that, if God had no angels in Heaven and was looking for a template, He would model them after Pauline. She was the epitome of selflessness...always serving others. I'm going to miss Mimi. Just a bundle of love and willing to share it.
