Tom was a very special person and I know that God sent him to us because we needed him as much as he needed us. He enriched our lives more than he will ever know, and I hope we did the same for him. I already miss him so much, his sweetness, his sense of humor, and his kind hearted nature. He made all our lives better just by being himself. He was such a truly beautiful person and our hearts are broken forever. I know we will be together again one day, and I wish him all the peace and happiness he deserves. We love you forever, Tom.
