Dick was a neighborhood treasure. We lived next door to each other for almost 20 years. He was a kind, funny, smart neighbor who was always willing to help. Dick and Helen created beautiful gardens that made their home the highlight of our block. The beauty of their gardens is a living tribute to their love of nature. Dick was always deeply committed to his family, his faith, and his community. I missed Dick and Sandy when they moved to Spotsylvania yet knew it was the perfect change for them. I will always remember Dick and his family with great fondness. May you rest in peace and love.

Uncle Dick was the heart and soul of the Pelham Street gang. His humor and love of faith and family will be with us always of a warm reminder of his love. I will miss him greatly Judy Barnett

Daddy, words cannot express the hole that you left in my heart. You were a great father, grandfather and great grandfather and you loved them all. There wasn't anything that you wouldn't do for us. You always enjoyed yourself and loved to laugh and dance. I will cherish the memories that I have growing up with you. Every time I saw you, you would tell me that you let the doctor's know that you wanted to see your last grandson graduate high school, but the Good Lord had other plans for you. I know that when Nick graduates next year, you will be there in spirit. I remember listening to your "big band" and "country music" records in the basement with you when I was still living at home. I remember when Jessie was just a baby that you and mom would come over to check on me and when you were getting ready to leave, you kissed me on the forehead when I was sleeping. Those are two memories of you that I will forever cherish. You would call me "little sister" when I saw you, but no more and I will miss that. Rest in Peace Daddy. I love you with all my heart and will miss you dearly! 😭❤️

I worked with Fred at the Department of Education many years ago and I will always remember his sense of humor. When a bunch of us came new on board, he shared his tremendous knowledge with kindness and understanding. It is fun looking at the pictures shared by the family. Sometimes when we are at work we don't see the family - the most important parts of our lives. Marsha Davis (formerly Majewski)

Thank you for sharing that about our father. He did have a wonderful sense of humor and always making people laugh. I used to work at the office of Education two floors down from dad's office and he always talked about how much he enjoyed everyone he worked with and the people he met. We will miss him dearly.

Daddy, you weren't just my father but my best friend. We had 18 years of just you and I. Shopping, traveling, laughing, you reading me the paper every morning to let me know what was happening in the world and even on some occasions, arguing with you. I wish that I could have those times back. I will cherish each and every moment that we spent together and keep those locked in my heart. It's hard not having you to take care of anymore. Taking care of you was my life and now Mom and you are taking care of each other. I miss you so very much but like you told me before you passed, I am going to be okay in time and you will always be with me and watching over me. Rest In Peace Daddy. I love you with all my heart always and forever 🥹❤️❤️

Sandi, You have followed the commandment to Honor thy Father and Mother without expecting snything in return

Judy Barnett June 15 at 5:09 AM

Sandi, you did a terrific job of taking care of your father. He knew you loved him and he can finally Rest In Peace. Gods peace be with you as you move through this sad time. But know you have shown the commandment, Honor Thy Father and Mother. You can only be proud of the job you did.

My Dear Uncle Dick, my heart is heavy with your loss, you meant a great deal to me when I was growing up. I will never forget my wedding day which was also your birthday, what a great day you made for me. We will all miss you but we know you are at peace and will be watching over us.
