David you've left way to soon. I've known since I was in 3rd grade! You always kept in touch with your friends and all the crew from OG. Your kind heart was 100% for your family. We had some amazing times growing up! Hanging out in forts, at the pool, riding bikes, playing search, going to the laundry mat to play video games etc.

Childhood was great with you in it. You will be missed terribly. I will always keep you close to my heart my dear friend! I know your beautiful family you created will carry your memories forever.
