I am so sorry for your loss. I had the pleasure of meeting Bob at the UVA physicians office in Orange, and he attended our Diabetes support group faithfully. It was always such a joy to talk, and share with him. He loved his family so much, and talked of your gatherings at the holidays often. He cherished and missed his wife Connie so much, and I know that he is at peace now reunited with her. I will always remember him, and will pray for your family as you move forward with your lives without him. God bless you all. Kim Morris
