## **Anna Marie Jenkins**

SEP 3, 1934 - JUL 13, 2018

**A**nna Marie Painter Jenkins, 83, of Culpeper, passed away on July 13th, 2018, at her residence. Marie was born September 3, 1934, the youngest of four children, to the late Floyd Melvin & Anna Mary Painter. She met her husband, Robert Lee Jenkins, Jr., in the summer of 1951 and they were married January 18, 1952. Marie chose to be a stay at home Mom and raise their four children. In 1979 she decided to return to work outside of the home as a food service employee with the Culpeper County School system and began at Farmington Elementary. She loved being with the children and made many life-long friends of her co-workers. Special friends are Louise Walker, Marie Farnam, Rachel McAlister, Mabel Stanley, Edith Curtis, and numerous others who were very dear to her. In 1983 she accepted the role of Food Service Manager at Pearl Sample Elementary school and served in this capacity until her retirement in 1999. With Marie at the helm, there were no children who went hungry. She was dearly loved by all the children and even when they were grown, they remembered her making sure they had food on their tray. Marie enjoyed her family and was a faithful, hard working mother of four, grandmother of eight and great-grandmother of ten. Marie was married to Robert L. Jenkins, Jr. (Bob) for 61 years before he passed October 8, 2013. Despite suffering with dementia herself, she was by his side everyday throughout his illness and at his passing. She truly demonstrated what love is in marriage. She battled dementia for over 10 years and still had a smile on her face and was kind and compassionate to all. Marie was a life-long member of the Culpeper United Methodist Church and served in the Women's Circle groups and as a Sunday School teacher when her children were small. She enjoyed her church family until her later years when her sickness made it difficult to attend. Even with the dementia taking her strength and memories, she still found joy in singing along with her favorite hymns while looking at her husband's photos.

I am so sorry to learn of Mrs. Jenkins passing. I didn't learn of her death until an hour before the funeral and could not even with rushing make it on time. I enjoyed working with her at Pearl Sample School. She worked with some great people, Mable Stanley ,Betty Bean, Edith Curtis and Mrs Fortune, Mrs. Jenkins knew that I enjoyed their home made soup and would make sure there was some extra for me and if there was some left over she would save it for me to have the next day. She ran an excellent lunch program and she and her staff were extremely compatible. She spoke often of her family and I know she will greatly missed. GOD BLESS; Bill Simms

I shall always remember Marie as one of the nicest ladies I have ever known....she loved children and her coworkers. I remember she always would let the teachers at Pearl Sample buy any of the "extras" she had left over so we would not have to cook when we got home.....no child at school was ever hungry when she was our cafeteria manager! Her faith was always exhibited in her daily routines and she was always willing to chat and brag about her wonderful family. My sympathy to all of Marie's family as you were enriched by her life and love for all of you. Jane Hudson Thomson

I want everyone to know the love she had for children. Whenever visiting Chick Fil A she always had to sit close to the play area to watch the children. The joy they brought her each and every time she visited. She has left here on earth wonderful children to carry on her legacy. My prayers are with each of you.
