David, You Always had a big bear hug for me when you came to our house as a young boy. I will always remember your beautiful smile and your love for my burritos! Your long curly hair was in style with my son Keith and Josh for they had long hair too! Who could forget the endless arguments of Burrito & Taqito too... your warmth and smile will be missed! RIP David - with deepest sympathy Mrs.Allen

My heart is breaking that you are no longer here in person but I am so thankful that you lived with us the past five months. Though there were some difficult times, I'm already looking back at the fun moments and laughter we shared. I'm going to miss the walks we took together with Nala and boy is she going to miss you too! You truly had a precious, giving heart and I thank you so much for all the "seeds" you said you were spreading for everyone. I love you my sweet nephew! I can picture you in Heaven now, free of pain, completely healed, with a beautiful smile on your face. One day we will all see you again, but until then you live on in our hearts and memories.

David was one of the best friends I could have ever hoped to have. He was my confidant, and someone I could trust with anything I told him. The world is a darker place without him. I hope that he rests peacefully and knows that he was very loved.
