Jack was a wonderful man who I had a lot of respect for. He was always there to listen to me and give his advice if needed. He was a devoted Christian and a son, brother, father, uncle, cousin, grandfather and most of all a great friend. He enjoyed his family, friends, cows, farming, singing and church. He will be missed by many. God Bless you Jack, you left us early but see you on the other side. My sympathy and condolences to his family.

An uncle is a special gift Recieved from God above, It starts out with kindness Then adds the abundance of love.He taught you so many thingsJust as if he were your dad,You could talk to him about anything Then suddenly things didn't seem so bad.I have the memories to cherishEach one I'll hold so dear,Though he may be in Heaven There's nothing to fear.For now there's the Faith That he has stood for,To teach us all that he could In glorious heaven, forevermore.We love you Uncle Jack, and send you lots of appreciation for all you've done for our family. You may be have left this world but, you haven't left our hearts. Your memories live on, & we will all be together again. We know you're having a great time up there in heaven! We love you, Jennifer, Dave, Angel

How grateful we can all be, that only a matter of days ago, Our Brother was in his hay field and tending his cows! No place on earth would he have rather been. And, when his time came to end his work on earth, his heavenly home was ready, no waiting in line. A wonderful ending to a beautiful life for a precious Brother. How thankful we are to have had him in our life all these years. We will of course all truly miss his presence in our lives but the good memories will be with us always.
