I would like to say to the Livings family that I'm so sorry for your loss of a great husband, father and friend who shared many-a-stories and laughs over the years. I will always cherish the Livings Family Reunions from Harpers Ferry to Binghamton, NY. I'll never forget following Joe, Aunt Louise and others around a traffic circle in Binghamton like 4 times before exiting on the right road. Aimee, young Benjamin and I were laughing so hard with I think Joan and Dave behind us and there might have been a 4th car following behind them. OMG that was so hilarious and we had so much fun on that trip. Thank you for that great memory! Joe, I hope now you can see how special your daughter Aimee is and was for you and the awesome person she has become, in large part thanks to you and the experiences you gave her. Rest in peace my friend and father-in-law. With all our love, The Tomcho Family
