To the Jones family, I am so sorry for your loss. It is a loss for the world because Ronnie was such a wonderful person...a truly good soul. I worked with Ronnie, or "Kenny" as Rich and I called him (only because Rich just accidentally called him Kenny one day out of nowhere and so it stuck), in the Dewberry Culpeper office. Kenny was awesome - just the sweetest, kindest person! I will never forget his laugh and smile. I am grateful I got to know him. The world needs more Kennys. I wish I could be there for the service but I am in St. Louis and cannot get back. Your family is in my thoughts and prayers. Sarah Gravatt Briggs

Over the 30 years I've known Ronnie, he was always smiling. I can't imagine what he'd even look like without a smile on his face!! So sorry for the family's loss, I know he'll be missed greatly. Prayers for strength for Teresa, Ashley, Ronnie Jr, and all the family at this difficult time. Prayers that God holds you close, surrounds you with His love and peace now and during the hard days ahead. Love, Aunt Sue

First, I pray for peace in the hearts of all friends and family. I remember Ronnie being a happy, fun jokester kinda guy. I'd always joke and tell him I loved him. He'd say it back. With a little more added in. Haha. He'd say something funny like "I love you too big boy!" He's the first one I worked with in land surveying in Culpeper at A.T.C.S.. I was glad my first morning because I could tell he was a laid back nice guy. We had lots of fun together at work. He had that stutter sometimes and would make fun of himself. He was cool with it. He'd stutter then when he couldn't get it out he'd just stop and say "s#*t". Haha. He was just an all around good guy. Fun and patient. I'm not sure why things happen but God has a purpose for everything even though we can't see the big or whole picture. I know that thought doesn't relieve things much. But I pray for people to surround the family with love and to everyone feeling hurt and confused to immerse themselves into a good church and stay consistent because that will definitely help the healing process and work all things out for good.
