Glen, Lorri and family; So very sorry to hear of Dottie's passing. I had no idea until I looked in the paper this am. I truly am sorry for your loss. She was an amazing person. I had the pleasure of knowing and working with her at Murphy's and through the hospital as well as with Glenda. I know you are all hurting right now and it is very hard to get your arms around but know she will be sorely missed by those who knew her, loved and respected her for the woman she was. She was not afraid to be counted. Know that you will see her again through your relationship with Christ. She is in His arms now. Lori Pullen Madison, VA

Dottie was such a special person and a great friend over the years that I knew her. She was my kids' bus driver for years and took care of them. I saw her at Murphys department store and talked with her frequently at the hospital thrift store. Bill and I send our thoughts and prayers to Glen and Lorrie. Dottie will be remembered for all her caring she had for others and how she loved her family. Sarah Barron

I will always remember Dottie when we use to work together at Murphy's. Sorry we never made it to lunch like we planned. We were waiting until we retired but timing never seem to be right. Life problems seem to always get in our way so we never made it to lunch. Which I will always be sorry. God be with you all now & forever. PaT SY k Fincham

It was a God given privilege to have know Conchie. My mom Marjorie and I, as a high school student, worked together at Murphys. She was always full of life and one of the nicest people ever to call a friend. I moved away for a number of years and on my return our paths crossed again. Hugs and smiles were among her many gifts she shared with others, along with her giving heart. What a blessing to everyone. She will be missed by lots of people who's lives she touched. Blessings and strength to the family.
