MaeMae was very special to me. Even after I left my employment at Autumn I would go by and see her. Of course she would have something smart to say everytime I walked into her room. She always had a smile and a joke for me. I would have her a cheeseburger and chocolate shake. I guess now every Saturday I will go have a cheeseburger and chocolate shake just for her. I was planning a trip home soon but it's not going to be the same coming by there. Debby you and the family are in my thoughts. MaeMae will be missed by many she will ALWAYS be in my heart. Loving you always My MaeMae. Love you Lori Jenkins.

I grew up with Rufus and Mae Helen in my life. My parents, the Carpenters and many others that have no passed on were fun loving people that dedicated their time into building from scratch what is now the American Legion Post 330. They were hard working people and many owe them a debt of gratitude. When I and Carrie Harris were active in the Auxiliary we could always count on Mae Helen asking about her membership card when June rolled around each year. She realized the importance of belonging to something greater than self. Their sometimes gruff outside only magnified their soft inside. Many times they were fixtures at my table growing up. Blessings to the family and know that they were loved. Penny King
