I attended his funeral today but was reminded that we will cross paths again. A true soul who loved the Lord spent many years blessing me with his presence. I will forever hold in my heart watching you on the tractor wearing your cowboy hat cutting the lawn of the church, Sharing the joke of me polishing your head with my sleeve and seeing you take up the offering each service. You may be gone from this life but these words that I spoke to you every service will always remain: "see you on the flip side!"

Gone but you will never be forgotten. We will surely miss you at Golden Corral and we will be glad to assist Margaret. As Oscar would say to you "Preacher" we are glad we crossed paths.

I know you going to watch over Grandma & she is in the best care with all looking after her, I know that what you needed to here. You & Grandma had a lot of wonderful years together & she says you was a wonderful husband to her. she has a lot of care & we will do our best. so Nick you rest easy & you will always be in our hearts I am grateful to the years I've known you.
