Dave, You were not only a co-worker, but a dear friend. We had many conversations. You were easy to talk to and you kept confidences. I remember the day you told me you had found the ONE. A beautiful lady who was a very special friend of mine. The two of you shared many of life's good and bad. I remember the day you shaved your head to show your love and support as Shelby fought her battle against cancer. She won. Never saw you without that big smile on your face. You were always willing to help. And did, more than you know. You will be missed. Remember to use that smile and look down on the people you love! Gloria Hopkins

Dave was a great guy. I know he was by your side at your worse time and he loved you dearly, Aunt Lois (Shelby). He was a good uncle and loved our family as his own. My girls, especially Jonni, were very fond of him. Thank you Dave!
