So sorry to hear this. My thoughts and prayers to the family. I met Derek when my daddy was laying brick for his dad. Then through out school. Thought of him often. Rest in peace sir. Until we meet again.

I met Derek right after I purchased my first horse, 20 some years ago. He was entertaining on trail rides and always willing to lend a helping hand. He will truly be missed.

Derek was a great horseman. It was always good to see him at the many camping trail rides spectacularly riding his horse. A hole in the universe exists.
