Debra Yoo posted:

Denise had a very sweet nature, which shines out from this picture, and was very good to my mom who lived with her and Ed during the last years of Mom's life. She also took care of Ed through his many health challenges until he passed away. I am saddened that she didn't have many carefree years left to her to enjoy with her family, friends, and beloved cats. Thank you, Denise, for all that you did for Mom and Ed. Love from Debbie and husband Davis.
