Gena and I went to school together and she was always so kind and caring. I will miss her smile and friendliness. No matter how long in between, she was always the same when I talked with her. I am so sorry for your loss and will be praying for all of you. To Chris, especially, who I remember as a small boy walking into my classroom for the 1st time. He knows that I told them as his teacher, I will hold a special place in my heart for "my children".

I worked with Gena at VDOT and it didn't take long to find out how fun and smart she was. People enjoyed being around her. She brought laughter and sunshine to those having a bad day. I am grateful to know that she is with Jesus! No more pain and suffering for her from this world. My deepest sympathy to the family.
